Gdynia Orłowo, 24 November 2010

The parish pilgrimage to Italy took place from 12 to 23 October 2010 under the banner "In tribute of John Paul II". There were not only parishioners from Gdynia Orłowo taking part in that pilgrimage, but also parishioners from other parishes of the TriCity as well as from outside Gdańsk Archdiocese. The pilgrimage trip was organised by Mrs Dominika Orzeszk-Trombetta, the owner of travel agency "Travelissimo"

The programme of the trip included many sites of big importance to pilgrims. The main item on the agenda for the trip was the stay in Rome and what is even more important, on the day of appointing cardinal Karol Wojtyła to the See of Saint Peter, the Eucharist celebrated in St. Peter's Basilica as well as the visitation of the tomb of our great countryman, John Paul II. Venetia, Padua, Assisi, Castel Gandolfo, Monte Cassino, Pompei, Naples, the fabulous island Capri, San Giovanni Rotondo, Lanciano, Loreto, Manoppello were included into the itinerary schedule. An unscheduled visit to Kahlenberg and to Vienna was a very nice surprise for all the participants of the pilgrimage. Thanks to a very good organisation of the trip, all items of the scheduled agenda were fully completed.

Mr Andrzej Pisula, who was the tour leader, described the history of each visited site and the events from the lives of great saints connected with those sites in a very interesting way, which added to all the unforgettable impressions the pilgrims had each day. Travelling by very modern coach gave the comfort of security to all the trippers. High-standard hotels chosen by the organisers should also be praised. All the participants of pilgrimage returned home being fully satisfied, full of unbeatable impressions and indelible memories.

Being fully convinced of my opinions, I would always be strongly recommending the travel agency "Travelissimo" as a professional tour and pilgrimage operator. I hope that I will be able to reuse the high-quality services provided by the travel agency "Travelissimo".
